WELCOME MESSAGE

Dear Colleagues,

On behalf the Pediatric Endocrinology Working Group/Indonesian Pediatric Society and Indonesian Pediatric Society – West Java Branch, we are delighted to welcome you to our yearly Indonesian Pediatric Endocrinology Update, this year for the 6th to be held at Crowne Plaza Hotel Bandung from 13-14 April 2018. At Bandung as the venue place, a melting pot of art-deco cultures and wide variety culinary, the combination of beauty of Paris van Java is something you should not missed. The Pediatric Endocrinology Working Group/Indonesian Pediatric Society is committed to the development and advancement of health professionals in the art of science of pediatric endocrinology treatment.

The adolescents is the most special period in the preparation of child to adulthood. The period whereas the children experience physical, reproductive, hormonal and emotional changes. The 6th Indonesian Pediatric Endocrinology Update this year will bring together leading experts in the field of endocrinology, diabetes and obesity to discuss the current issues of endocrine disorders in adolescents and its practical management in daily practice as per the theme of this year for “Endocrine Problems in Adolescent in Daily Practice”.

We hope that health professionals in pediatric endocrinology and diabetes will be able to foster dialogue between health professionals and to engage the updated high quality clinical -information and issues and basic science. Also, other clinicians, including general pediatricians, pharmacists, radiologists, surgeons, obstetric gynecologists, clinical pathologists, psychiatrist, and general practitioners with an interest in adolescents endocrinology and obesity disorders will be keen to join. We do hope the participants go home with the wider perspective and awareness about endocrinology clinical situations and or cases in daily practice to achieving optimal and effective outcome due to enhance the quality-of-care adolescent.

We hope to see you again in “Paris van Java” this 2018!

Chairman,

Aris Primadi
